Vern Streeeter | January 31, 2021

BIG ACTION: We all have pain and we all want blessing so God invites us to humbly pray the Jabez way.

I. Jabez had some serious FOO baggage (4:9-10a)

II. The way of Jabez includes four prayer requests we can pray regularly (10b)

1. "Bless me..."

2. "Enlarge my territory..."

3. "May your hand be with me..."

4. "May you keep me free from evil and pain."

III. God said "Yes!" (10c)
