

COMMIT

Alex Falder | October 31, 2021

BIG ACTION: Make commit your lead dog. Commitment gives you the endurance and encouragement to get stronger when your love is tested.

Three key aspects of commit that help get through the many tests on our relationships:

- Commitment builds **Endurance**
- Commitment needs **Encouragement**
- Commitment paves the way toward a stronger **Unified Purpose**

For Next Week Read:
Psalm 139
