

A Prayer for Peace

Main Point

A Peace that lasts is found in surrender to the Shepherd

Peace that surpasses all understanding is only possible because a baby in a manger became our Savior on a cross

We gain peace when we give up **control**

We don't need to be in control of every situation in life, we just need to trust the ONE who is

We gain peace through **restoration**

When the burdens of this world become too heavy, we have peace knowing they're not ours to carry

We can have peace even in our **problems**

The goodness of God is not that we will never face adversity or go through hard times, it's that HE is with us when we do

True peace is knowing that regardless of what we may face in this world, we can have eternal life through salvation in Christ

Psalms 23:6

[6] Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever.
