

Dinner With Jesus Part 3: Everyone's Invited

Luke 14:1-24

Main point: If invitation to God's table extends to everyone, it's our MISSION to say YOU'RE INVITED

Our actions should reflect the invitation

It doesn't matter how many times we share the invitation if our actions push people away.

The invitation must extend beyond our circles

We need to get comfortable being uncomfortable.

Even if we never get to serve in the mission field, we can pray for those who are.\

There's urgency in the mission

People will have many excuses why they reject the gospel message. Having never heard it should not be one of them.

Luke 14:23 "Then the master told his servant, 'Go out to the roads and country lanes and compel them to come in, so that my house will be full.'
