**"Patience from Music Machine"** - by Frank Hernandez & Shery Saunders Powell  
Soloist for Herbert's Father: *Caleb Fear*

Chorus:  
*Have patience, have patience  
Don't be in such a hurry  
When you get impatient, you only start to worry  
Remember, remember that God is patient, too  
And think of all the times when others have to wait for you*

Verses:  
*There was a snail called Herbert who was so very slow  
He caused a lot of traffic jams wherever he would go  
The ants were always getting mad and the beetles, they would fume  
But Herb would always poke along and sing this little tune*

*When Herbert was much younger, he often got in trouble  
Forgetting that he was a snail, he did things on the double  
He'd crash through every spider web and with crickets he'd collide  
Til one day Herbert's father took his speeding son aside*

*As you can well imagine, there's a moral to this tale  
Some of you may find yourselves behind a creeping snail  
So if you get impatient and you're easily disturbed  
Think about this little song and take a tip from Herb*
