1. Am I praying daily for specific people by name?
2. Am I intentionally building relationships with people who need Jesus, and making the time to listen to their stories before I tell my story?
3. Am I mentally preparing how to show them why Jesus is the answer to their questions and concerns, using both Bible verses and my personal experience?
4. Can I clearly and concisely share with them the reasons why I believe in Jesus? Do I have 3-5 minute testimony memorized?
5. Am I willing to help them take some “next steps” on their spiritual journey?
