

God's spirit took me up
and set me down in
the middle of a valley
covered in dry bones.

Then He commanded me to speak
over the dry bones and say

"I'll breathe life
into you & you will
know that

"I Am God"

I did all that He commanded
and the bones came back
together and flesh covered
them, but they were not alive.

He told me to command the wind

"Come four winds &
breathe life into them"

And they stood up on their feet -
an exceedingly great army.

Pieces & Promise

Where are the broken
pieces in your life?

We come to church broken into
pieces - covered by a facade -
forgetting the promises of God.

When it seems like everything
around you is dead and in ruins,
God is building something out
of the broken pieces.

Surface & Substance

You can be so consumed
with making the surface
look good, that you forget
about the substance.

We want God to fix the
surface, but don't want to
let Him to touch our inner lives.

Spoken & Spirit

When we're only
concerned with our
outward appearance,
there is no breath in us.

We are not living out our purpose.

The same spirit that moved over the earth
and brought life - that gave the 12
disciples their boldness - can breathe life
back into your dry bones.

God said

"I'll dig up your graves and
bring you out alive - then
you'll realize that I Am God.

I've said it &
I'll do it"
