

Jesus said to the crowd...  
"Do not judge others, and you will not be judged. For you will be treated as you treat others.

The standard you use in judging is the standard by which you will be judged.

And why worry about a speck in your friend's eye when you have a log in your own eye?

How can you think of saying, 'Let me help you get rid of that speck in your eye,' when you can't see past the log in your own eye?

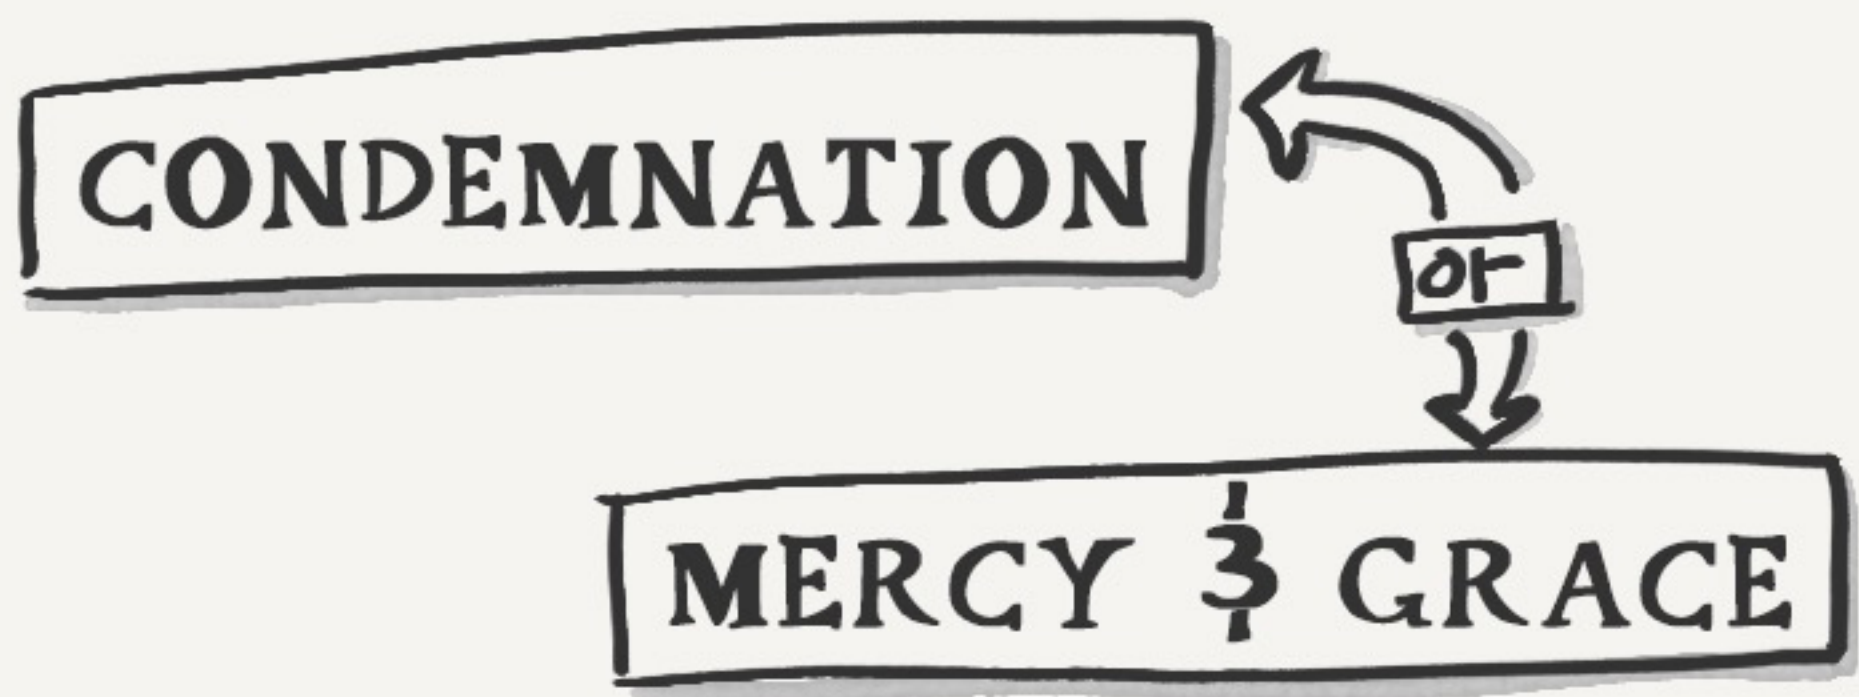

Hypocrite! First get rid of the log in your own eye; then you will see well enough to deal with the speck in your friend's eye."

We all have  
**ISSUES**

We're quick to judge, but don't like to be judged.

How do you want to be  
**judged?**

krinó: to make a determination of right or wrong, innocence or guilt.

We like to give ourselves a **free pass** and then write others off for the same behavior.

hypokrités: two-faced, a performer acting under a mask, someone whose actions don't match their words.

"Don't judge at face value. Look beneath the surface and judge correctly."  
- Jesus, John 7:24

**Public Service Announcement:**  
Social media is not a valid fact checker.

"It isn't your job to judge those who aren't in relationship with Christ."  
- Paul, 1 Corinthians 5:12

"Those in relationship with Christ need to humbly hold each other accountable."  
- Paul, Galatians 6:1

Before we can truly help others, we have to **check ourselves.**

"Search my heart and help me remove the blinders so I can see clearly to help others."
