

"God doesn't want us to be shy with His gifts, but bold and loving and sensible.

So don't be embarrassed to speak up for our **Master** or for me, His prisoner...

Take your share of suffering for the Message along with the rest of us. We can only keep on going, after all, by the power of God, who first saved us and then called us to this holy work...

This is the Message I've been set apart to proclaim as preacher, emissary, and teacher. It's also the cause of all this trouble I'm in.

But I have no regrets...

So keep at your work, this faith and love rooted in Christ, exactly as I set it out for you...

Guard this precious thing placed in your custody by the **Holy Spirit** who works in us."

You have to practice and take instruction before you hit the slopes.

Before you conquer hardship, you must endure it.

Where is your flame?

WHITE HOT

SOOT

Fan your faith into a flame others can see.

What are your priorities?

Children pick up everything we do.

If our flame is out, it will be that much harder for the next generation's to get started.

IT'S EVEN HARDER IF YOU'RE **in a storm.**

Let His Grace be your shelter and strength.

Let His **WORD** be your anchor in the storm.

Be a light shining bright in the darkness of this world.
