

"God handed out gifts to each of us within the Church to work together efficiently to carry out His purposes... **He** wants us to grow up, to know the whole truth and tell it in love to others - taking **Jesus as our example.** So, throw yourself into this work for **Christ.** Pass on what you learn to other reliable leaders so they can pass it on to others. When things get rough, rely on each other as **Jesus did.** An athlete who refuses to play by the rules will never get anywhere. Think it over. **God will make it all plain."**

God has equipped us.
How can we live day to day equipped to do His work?

God always sends people equipped with knowledge, tools, and skills to help us accomplish His purposes in our lives.

Likewise, He always sends us equipped with knowledge, tools, and skills to help others accomplish His purposes in their lives.

WE DON'T FEEL EQUIPPED WHEN
we're trying to be...
A BETTER version of ourselves **INSTEAD OF A** more accurate reflection of Him

Are you willing to pour into
someone else?

"In reality, you are part of something immense, something that began before you were born and will continue after you die. God is rescuing fallen humanity, transporting them into His kingdom, and progressively changing them into His likeness - **and He wants you to be a part of it.**"
-Paul Tripp, Instruments in the Redeemer's Hands
