

“They committed themselves to the teaching of the apostles, the life together, the common meal, and the prayers...

The whole congregation of believers was united as one - one heart, one mind!

They didn't even claim ownership of their own possessions...

They shared everything.”

During this pandemic we are more connected AND YET more isolated than ever before.

Are you faithful with the resources God has given you?

We are blessed with time and resources so we can bless others - not to store up our own wealth.
