

Once, you were dead because of the weight of the guilt and shame of wrongdoing.

All of us have lived that way.

But God loved us anyway and gave us new life when He raised Christ from the dead.

Now He has all the time in this world and the next to shower kindness and grace onto us.

God saves us by His grace when we believe. We can't take credit for this - it is His gift to us.

Salvation is not a reward for the good things we've done.

It is freely given.

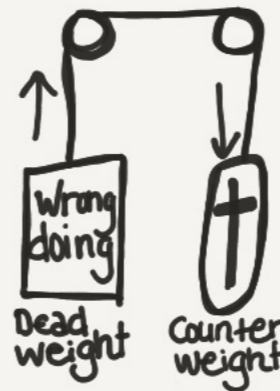

Many people think the gospel is about bad people becoming good.

"It's not about rules & regulations on how to live a moral life."

A dead person cannot bring themselves back to life.

A dead weight cannot move on its own.

The cross is your counterweight.

The cross is a clear display of God's love for us.

You will never be able to fully grasp the width, height nor depth of God's love for you.

Look at the cross and be overwhelmed by God's love.

~~Dead weight~~ The cross can cross out the dead weight of brokenness, insecurity and addiction.

"It is no longer there because of my love and grace."

We neither make nor save ourselves.

God offers this gift to you freely.

Just believe & accept it.
