

So, my friends, be patient until the LORD Jesus returns.

Consider the farmers who patiently wait for the rains in the fall and in the spring. You, too, must be patient. Take courage, for His return is near.

Don't complain about each other, or God will judge you and say that you are wrong.

For examples of patience in suffering, look at the prophets who spoke in the name of the LORD.

You have heard about Job. He waited patiently for God to help him in his troubles. You know how the LORD helped him in the end.

But most of all, never take an oath, by heaven or earth or anything else. Just say a simple yes or no, so that you will not sin and be condemned.

We're often in a
RUSH
to see results.

We pray but then don't wait for the answer.

We need a heart check.

Believe for rain.
Expect a harvest.

Stop wasting time on things that don't produce results.
↳ Gossiping, grumbling, complaining.

There can be no peaks without valleys.

Stop rushing to get out of the situation.

patience
in the suffering.

God **Will** produce a harvest in your life.
