

“Some men lowered a paralyzed man on a stretcher through the roof of a crowded room so **Jesus** could heal him. Impressed by their bold belief, He told the man he was forgiven. The religious elite in the room accused **Jesus** of blasphemy for claiming to do what only God can do. **Jesus** replied, saying, ‘Well, just so it’s clear that I’m the Son of Man and authorized to do either, or both...’ Then He said to the paralyzed man, ‘Get up. Take your bedroll and go home.’ The man immediately did, and everyone was amazed at what had happened.”

MISSIONAL LIVING

IS NOT Comfortable or Boring IS Powerful and Worth it

To live missionally, we first have to experience what it's like to be the man on the matt - carried by our friends.

WE NEED TO shift perspective.

The Cross is our cause.
The paralyzed man was disconnected from his family and community. Culture blamed his condition on past sin.

Jesus came to forgive our sins.
Including the ones you're ashamed of.

Be rooted in biblical community.
Be real. Expose your hardships. Show your struggles and let others pray for you and help you. This is your story.

We are sent to change the culture.
If every one of God's followers were to do our part to influence our circle of friends and family, everything would change.

Let's be a people who are unashamed to proclaim the **Good News of Jesus Christ** to those in our lives.

Then, we could see **True change** in the world.
