

"The world **HATES** them because they don't belong to the world, just as I don't belong to the world.

I'm not asking you to remove them from the world, but to **keep them safe** from evil.

I am sending them out into the world."

Is the person you are at church the same person you are at home and work?

The outside world sees Christians as hypocrites because our **WORDS** and **DEEDS** don't sync.

You HAVE TO HAVE THE **Message**

To be effective, the message must be **known** and **believed** by the messenger.

You HAVE TO HAVE THE **Mission**

The message is not just for missionaries.

"Go show them **LOVE** and tell them who **I AM**."

You ARE NOT SENT FOR **ISOLATION**

You ARE SENT FOR **INFILTRATION**

You can't live on mission by only spending time with other Christians.

Soaking serves a purpose.

Gathering together and soaking in **God's Word** is great.

Going out into the neighborhood, the city, and the world is greater.

Below the sin is a soul.

We avoid people that don't **look** like us, **think** like us, or **act** like us. We are all in the same condition without **Him**.

Our responsibility is scatter seed **NOT** to save souls.

Share your story and then sit back and

**Watch God work.**
