

Thomas, one of the twelve, was not with them when Jesus came to them. So when the other disciples told him about it, he said to them...

"Unless I see and touch the scars in His hands and side, I will never believe you."

Eight days later, when Thomas was with them together in a locked room, Jesus was suddenly standing in the room with them. He addressed Thomas and said...

"Go ahead and touch my scars and see for yourself. Do not disbelieve, but believe."

Thomas replied...  
"My LORD and my God!"

Jesus said to him...  
"Have you believed because you have seen me? Blessed are those who have not seen yet still believed."
