

Jesus said to the crowd...  
"Don't be anxious about your life, what you will eat or what you will drink, nor what you will wear...  
Consider the birds of the air. They don't farm land, yet your heavenly Father feeds them.  
Are you not more valuable than them?  
Consider the flowers that are alive today and go in the fire tomorrow. They don't labor away, but there's not a king clothed in more splendor.  
Will He not much more clothe you?  
Put God's kingdom and His purposes first and He will give you everything you need.  
So don't worry about tomorrow, for tomorrow will bring its own worries.  
Today's trouble is enough for today."
