Words of the wise

FEB 11
PROVERBS 12:18

The words of the reckless pierce like swords, but the tongue of the wise brings healing.

Words affect our outlook.

They can either be

Positive

or

Negative

Building up

Tearing down

Life
Safety
Renewal
Rest
Redemption
Truth

There's
NO
middle
ground.

Destruction
Insecurity
Doubt
Fear
Worthlessness
Lies

Wise words are the right words at the right time in the right way.

Words can manipulate to make people have false views of themselves and life.

Words accumulate over time and stack up to build your reputation as either trustworthy or not.

Words have the power to navigate your ship either in the right direction or towards destruction.

The wise are slow to speak with ears open to hear the needs of those around them.

Foolish people say the first thing that comes to mind and don't stop to think about the possible consequences.

Foolish words are the wrong words at the wrong time in the wrong way.

Check your motive...

to respect to shame

A soft answer turns away wrath, but a harsh word stirs up anger.

Wisdom is ready and available for you.

Turn away from folly and begin walking in wisdom.
