

All the believers devoted themselves to the apostle's teaching, to fellowship, and to sharing meals, and to prayer.

And all the believers shared everything they had with joy and generosity - all the while praising God and living in harmony.

And each day the Lord added to their numbers those who were being saved.

Today's church is all about entertainment and surface feelings. We've forgotten the **True Purpose.**

We need to stop imitating other churches and other Christians and start imitating **Christ.**

If we desire more, we need to step back and evaluate the reason and the way we gather on Sundays.

“In the last days there will be very difficult times. People will **love only themselves** and their money.

They will be **unloving** and **unforgiving**; they will slander other people and will have no self control.

They will be reckless and love pleasure rather than God.

They will act religious, but they will reject the power that would make them godly.” - 2 Timothy 3:1-5

Who do you love more?
GOD [vs] **SELF**

God's Word says to seek first the **Kingdom of God**

- **NOT** the Kingdom of [insert self interest here]

We don't desire to be self-centered, but the enemy throws distractions at us.

We lose track of the most important thing.

If we take a step back and come in **awe** and **wonder** of who He is, we will see Him **Move** throughout the city and the world.
