

Jesus was being followed by a great crowd of people. When it was time to eat, there was not enough food for everyone.

All they could find among the people was a boy with 5 small barley loaves and 2 small fish.

Jesus took the food, blessed it, and told the disciples to pass it around, and gather everything left so that nothing would be wasted.

There was enough left over to fill twelve baskets.

After the people saw this sign, they began to believe He was the **Messiah**.

As the crowds continued to follow Him around, He challenged them that they were only following Him for the perishable things He gave them.

"I AM the Bread of Life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty."

"Why spend money on what is not bread and your labor on what does not satisfy?"

The only One who satisfies

The way you live and think about everything shows what you truly believe.

To live is to live for Christ, because nothing else in this dying world matters. To die is to be with Him in the Land of the Living, which is far greater than anything else.

Do you know the REAL Jesus?

His promises are trustworthy.

"Whoever comes to me, I will never drive away."

"Whoever believes in me will have eternal life."

"I will lose none of you. I will raise you on the last day."

Jesus is truly worth it. "I have something far better for you."
