

I AM the Good Shepherd
who lays down His life
for His sheep.

A hired hand will run
away when he sees
a wolf - leaving the sheep.

I know my sheep and
my sheep know my voice.

Most people get flat tires because
there's not enough air pressure in the
tires - not because there's too much.

You have to check the bike's tire
pressure every time you go out.

Many of us have a 'blowout
in life because we're not
filling up with Christ.

If you want Him to fill your life,
if you want to know His voice,
Read His Word.

Authority leads to
necessity

Do you believe God's Word
has authority?
If you are not in His Word, you will
rely on imperfect people to lead and
guide you through life.

Intentionality leads
to intimacy

Life gets busy. It takes
intentionality to make time
for His Word. we make time for
what's important to us.

Identity leads to clarity.

When you finally realize who
you are in Christ, you will have
more clarity on who you should
lean on for guidance.

It will cause you to disconnect
from the imperfect sources you've
been relying on to fill the emptiness.
