

Lesson Title: The Armor of God

Scripture Focus: Ephesians 6:13

The Lesson in Context

The armor of God is powerful because our enemy does not engage in open warfare. He plots, plans, and deals in wiles and schemes, which require us to be watchful and prepared. When we put on the whole armor of God, we are protected no matter what devious plan the enemy brings against us. However, according to Ephesians 6:13, the armor also covers us in the evil day. We see the plans of Satan in our world daily through his ideologies and agendas. We see it in the lack of sanctity for life and godly living. We hear and see it in the daily attacks against God, His Word, and His people. The agenda of Hell is on display, and the devil's army is pushing it everywhere: in schools, through entertainment, in politics, everywhere.

We are in the middle of a great battle for the hearts and minds of humanity. It is imperative we get up daily and put on the whole armor so we can stand and have a move of God even in this evil day. God's armor provides authority and protection against wily attacks of the enemy and all his evil plans. We must put on the whole armor and set our faces against the enemy and his schemes to destroy the world.
