

Week 16 Revelation SG

Rev. 6:9-17

V.9-11

* What does blood under the alter represent in the OT- (Leviticus 8:14-15)= _____

* Who are these people- _____

* Why does it say they have been slaughtered? _____ & _____ (Matt. 24:9)

*What are they asking God? _____

*God gives them 2 things as an answer White robe= _____ and they are told to _____.

* Why does He want them to wait a little longer ? _____

* So what the 5th seal represents is a message of hope to those being persecuted at this time. That persecution will come to an end. More importantly it is the waiting of God on the lost, while righteousness preserves. God is still with his righteous people even when they feel abandoned

V. 12-14

*Earthquakes are the _____

* This language used is symbolic because we see it in the Old Testament about events that have already occurred.

-Isaiah 13:10 Jerusalem

-Ezekiel 32:7-8 end of Egypt

-Joel 2:10

So this is familiar language to the Jews as the symbol of the end of an age. It is the redeeming power of God for His people.

V. 15-17

This is simply representative of the fact that no one, no matter place, rank, power, strength can hide from the judgement of God. Notice they hide because the one thing that all of these people fear is death. God can bring that through these natural calamities we have spoken about.
