

Week 17 SG  
Revelation 7:1-8  
V. 1  
Angels of the 4 corners

\*when the wind blew from the corners of the earth it meant \_\_\_\_\_ NW NE SW SE

\* These Angels were \_\_\_\_\_ Angels that controlled the \_\_\_\_\_ under Gods command.

V. 2-3

John uses the word Living God in comparison to the \_\_\_\_\_ gods which were dead (Isaiah 44:9-17). They were simply \_\_\_\_\_ by man and could be destroyed.

John wants to show the power of the true God. This is also one hint that this book was not just to the Jews or just to the Jewish Christians.

The Seal here speaks of ones \_\_\_\_\_ or \_\_\_\_\_. This was given to kings to show their power and ownership so others would know not to bother it.

The seal for Christians is \_\_\_\_\_ and the receiving of the Holy Spirit. This proclaims that we are Gods and he has authority over us.

The 144,00

1<sup>st</sup> notice what tribe is first? \_\_\_\_\_, who came from Judah? Christ

2<sup>nd</sup> notice what tribe is missing- \_\_\_\_\_ is left behind when it marries itself to idolatry.

3<sup>rd</sup> who replaces - Manasseh – which is usually roped in with Joseph.

Now why does this not represent just the Jews? If Jews were the only ones that were getting into heaven what hope is that to Christians and to gentile Christians? Why would John write this down? The fact is he wouldn't this was a book of hope. So this was a message of hope to all Gods people.

12 is another number of \_\_\_\_\_

1000= \_\_\_\_\_

2 text that speak of the salvation not just being for the Jews anymore (Romans 9:6-8, Gal 3:29 not all Jews are Israelites)

Revelation week 18 SG

Rev. 7:9-17

## 9-10

Why the 144,000 refer to all Gods people just different times.

1. Through the message of Christ we learn that there is no separation anymore in Christ. Paul preaches this same message all that come to him are his chosen ( no longer Greek or Jew, slave or free.)
2. If the second group is the Gentiles then they have no seal so how would they have been protected from the destruction?

3. If the Jews were the only ones that God needed to protect, then why have the angels hold back destruction from the world as a whole why not just the Jews?

## 11-12

The angels= \_\_\_\_\_

The elders= \_\_\_\_\_

The 4 living creatures= \_\_\_\_\_

What do they praise him for?

Amen= \_\_\_\_\_

Blessing= \_\_\_\_\_

Glory= Awe and \_\_\_\_\_

Wisdom= Plan of \_\_\_\_\_

Thanksgiving= for what he has done

Honor= \_\_\_\_\_

Power= to carry out \_\_\_\_\_

Strength= he is our \_\_\_\_\_ in trouble

## 13-17

The Greek word used for "coming" is represented of a continual process. Which would mean this is something that has been going on throughout the bible. This is representative of all of God people who have faced and will face persecution.

What are they wearing? \_\_\_\_\_ = Purity and victory

What are they holding? \_\_\_\_\_ Which deals with the feast of the tabernacle which had palms to reflect joy and victory

In verse 15-17 we get a picture of what it will be like for Gods people after there suffering on earth.
