

***Lesson 6 The Book that Changes Nations***  
**2 Chronicles 34-35**

**Closing Prayer and Covenant . . .**

Father, would you send Revival to us like you sent Revival in Josiah's day. Make us children of your word. Move us to read it. Speak to us through it. Use it to transform us. And use it to transform our church and city and country.

If you're making a covenant with the Lord today to read his word daily and live it out faithfully, repeat these words after me:

*Lord, today I covenant with You  
To read Your Word daily  
And live it out faithfully.  
In Jesus' name.*

***My Covenant With God:***  
***I will read God's Word daily and live it out faithfully.***
