
SUMMARY

We don't know what we don't know until we know it. We may not be aware of our greatest weakness. It means we have a blind spot. There may be something we need to change that we don't know about. There may be an area we need encouragement in, but we can't see it. Who can help?

START WELL

Before each meeting you should:

- Read the scripture reference(s).
- Read the discussion topics.
- Pray for your group mates.
- Pray for your meeting.
- Be the first to smile!

END WELL

Each week you should:

- Remind people to pray
- Update the prayer journal
- Follow up with your group throughout the week

ICEBREAKER

What aspect of your personality adds the most value to the world?

DISCUSSION

Read the scripture selections as a group. To help facilitate discussion you can ask questions like:

- What would you have done if you were in Solomon's place?
- If you were the Young Man, what would you have wanted Solomon to do before you went with the Woman? What about after?
- What does it mean, in Acts, to have fellowship?

Last week you and your group started writing down your Personal Values and a Mission statement. Go around the group and share things that stuck out to each of you. Also share the Values and Mission each of you want to live by.

SCRIPTURE

- **Proverbs 7:6-27** - The naive young man.
- **Acts 2:42-47** - The Fellowship of the Believers

- What are some things that your small group can do **for each other** to help see those Values and Mission come true?

We are in this for the long haul: 2024 is not tomorrow or even next year. Our desire is to see what God will do in us and through us over the next 5 years and beyond. Through fellowship and accountability, your small group is a key part of walking this out.
