Core Values

2 Corinthians 5:14-21 NIV

1. What's one thing from last weekend's sermon that you hope we talk about as a group?

2. *A look closer at "We meet people where they are" and "We create intentional spaces to encounter God":* Share of a time where people met you where you were before faith or early in your faith. Then share of a time where you encountered God because of a person in your life, either how they loved you or invited you into a relationship with Jesus.

3. *2 Corinthians 5:14-21:* This letter from Paul to the church in Corinth has given us a huge task to take on in our daily lives. Read this passage as a group and then in the examples below, how can we be "...Christ's ambassadors, as though God were making his appeal through us."
 - a. Encountering people who have been hurt and even spiritual abused by the church. (Clarification of Big "C" and Little "C" church might be wise here).

 - b. Living in a culture where the need to gather in community for church is no longer a priority.

 - c. In relationship with a friend or loved one who is not a follower of Jesus Christ.
