The Cost of Love

2 Corinthians 1:4-6 NLT Matthew 25:35-40 NLT

1. What is one or two things that stood out to you from this weekend's message? Anything you would like to dive deeper into?

- 2. Lisa discussed that sharing our stories isn't easy and that often we can spend time trying to talk ourselves out of sharing with someone. Share of a time when you may have felt like you were supposed to share something with someone and either you talked yourself out of it, or you did share. What thoughts kept you from sharing, or what resulted from you sharing with that person.
- 3. Love costs us something. Share of a time when love cost you something. What did it cost? Was the cost too much?

4. As we close out this month's sermon series "The Cost of Love" what are the insights and applications that you are taking away. Is there anything specific you need to do as a result of this week's message?
