This past Sunday, Pastor Terry spoke on Jesus' obedience to the Father and him giving his life over to pain, suffering, torture, and death to make known the love of the Father to all of humanity. In your own words how was Jesus able to stay obedient in this time of sorrow and suffering? How are we able to stay obedient and make known the love of Jesus in these examples provided below?
 - a. A time of tragedy, hardship or crisis in your life.
 - b. Needing to love or forgive someone who hurt you.
 - c. A time of betrayal or manipulation from someone close to you.

4.	Pastor Terry shared the story of Jesus giving the life of a son back to his mother found in Luke 7:11-17. She didn't ask for Jesus to come. She didn't recognize who he was. Jesus was compelled by love and compassion to bring her son back to life. How is our focus on the nex life and on the love of Jesus enable us to make known the love of Jesus to others?				
	a.	What are you willing to do to make sure you can make this temporary life of pain, hardship, and loss not get the best of you?			
	b.	What would be some healthy spiritual practices or habits that will allow for you to stay faithful and obedient in the times of trials, sorrows, or hardships?			
	C.	Is there anything you need to do as a result of what we learned this week?			

Closing in Prayer: Ask the Holy Spirit to reveal to you if there is anything that may be keeping you or others from knowing the love and forgiveness of Jesus?
