

- b. When do you think, it is appreciate to encourage someone to get baptized? Share with the group why you think that way.

- c. What would be some healthy practices or spiritual habits that might allow for us to make the decision for baptism or encourage others to be baptized?

- d. Is there anything you need to do as a result of what you've learned this week?

Closing in Prayer: As a group pray together for us as a church to see others make this commitment of faith to be baptized.
