## **The Circle Maker**

Numbers 11 NLT

1. What's one thing from last weekend's sermon that you hope we talk about as a group?
2. Share with the group of a time you took a risk and what were the results? What risks have you taken because of your faith?
3. In this past weekend's message, Pastor Terry spoke on remembering and holding onto the everyday miracles to remind ourselves of the power and presence of God. In the examples below, share how these everyday miracles allow for us to pray bigger prayers? To take bigger risks in our faith?
a. The ability to pray and be in conversation with the creator of the universe.
b. To have the choice and ability to meet in person to worship God freely.
c. To concentrate given the fact that you're on a planet that is traveling 67,000 mph through space while spinning around its axis at a speed of 1,000 mph.
d. To not have to worry about our next meal or where we will lay our heads.

4. <b>Digging Deeper</b> : This Sunday, Pastor Terry shared that our math and God's math don't line up. Leading us to know that there is no limit to God's power. Share with each other the times where God led you by faith where the math didn't add up but in your obedience he provided more than you expected.	1
a. What does it do for your faith and for your prayers to know that there is no limit to God's power?	
b. Share with the group how this will change how you pray and ho it will change the risks you take in your faith? Give examples.	w
c. What would be some healthy practices or spiritual habits that wallow for you to take some bigger risks in your faith? To pray some bigger prayers?	
d. Is there anything you need to do as a result of what you've learned this week?	
Closing in prayer: Close in a time of prayer this week. Ask for the Holy Spirit to lead you to draw some bigger circles in your prayer life and to lead you to take some bigger steps in your faith journey.	Э
