

**A NEW YEAR 2020
“This Is My Year!”
December 29, 2019**

Two approaches to the New Year:

1. Dreamers
2. Realists

- **Dreamer or Realist, I encourage you to view the New Year through the lens of Possibility.**
- **Possibility fuels the potential for a better future.**

Wilbur and Orville Wright

“In no way did any of this discourage or deter Wilbur and Orville Wright, any more than the fact that they had no college education, no formal technical training, no experience working with anyone other than themselves, no friends in high places, no financial backers, no government subsidies, and little money of their own. Or the entirely real possibility that at some point... they could be killed.” – David McCullough, *The Wright Brothers*

- **Live in the land of possibility.**
- **Visit the land of reality.**

QUESTION...

What do you think is possible for you in the new year?

A BETTER QUESTION TO ASK...

What does God think is possible for you in the new year?

Galatians 5:22–23 ²² But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, ²³ gentleness, self-control; against such things there is no law.

- **God's greatest plan for you is Jesus.**

Talk-It-Over

- Are you a Dreamer or a Realist? How does this affect the way you look at the New Year?
- Look at the New Year through the lens of Possibility. What does this look like in your life, business, job, or organization?
- Pastor Tim said, “God’s greatest plan for you is Jesus.” Thinking about this and Galatians 5:22-23, what fruit of the Spirit will you focus on this year, and why? Ask people around you to help you determine what your focus will be.
