

IS THE BIBLE RELIABLE?

1. What are the biggest issues that you think are keeping people from trusting in the Bible?
2. As you read 2 Timothy 3:16, what do you hear the passage saying about the scope of Scripture? In what areas of life does it claim to be reliable?
3. Read Hebrews 4:12. How have you experienced Scripture revealing some sober truths about the true condition of your life?
4. Psalm 119:105 is a short but powerful verse. Can you share with the group how a passage from the Bible has provided light for an important circumstance in your life?
