Preston Trail App and youtube.  
[com/TrailKids](http://com/TrailKids)

## EASTER WITH TRAILKIDS AT THE FRISCO AND McKINNEY CAMPUSES

Preschool will celebrate with a Bubble Bash party  
and Elementary will have an awesome Glow Party!

# GOOD FRIDAY

## Get Ready for Good Friday!

Below is an overview of two activities in the Good Friday service. It's a good idea to read over the directions and grab the supplies prior to starting. We cannot wait to celebrate with you!

### ACTIVITY 1

#### Easter Egg Roll

##### What You Need:

- Eggs (plastic or real)
- Something that indicates a finish line (pillow, towel, tape, etc.)

##### What You Do:

Family members battle it out to see who can be the first one to roll their egg to the finish line.

##### Directions:

Find a place in your house where your whole family can line up side by side as if you are on an imaginary starting line. Then create a finish line on the floor as far as you can from the starting line. This could be a pillow, a towel, anything.

When the timer starts, you will start rolling your egg from the starting line to the finish line. The first family member to get their egg to the finish line WINS!... But wait, wait, wait! You can't just roll your egg with your finger! No, that's too easy.

Instead, you have to roll your egg with your nose! BOOM!

Okay...everybody ready? Great! We're putting a one-minute timer on the clock. This Easter Egg Roll is happening in 3, 2, 1, and GO!

### FAMILY QUESTION

Share about something in your life you thought was bad, but it turned into something good.

### ACTIVITY 2

#### Bust Your Bunny

##### What You Need:

- Chocolate Bunny (any size)
- Frosting (a tube or tub), or Icing\*, or Peanut Butter, or Nutella, or anything sticky and edible
- Hand Towel
- Hammer (optional)

##### What You Do:

One half of the family challenges the other half to see who can bust their bunny apart and then glue it back together using only frosting.

**\*Icing Recipe: Mix 1 Tbsp of powdered sugar with 1 tsp of milk. Adjust to desired thickness by adding in milk 1 tsp at a time.**

##### Directions:

First, each team will need to bust their bunny. Yep. You heard me. Bust it.

Cover the chocolate bunny with the hand towel to prevent any flying pieces then give the bunny a whack with the hammer. Trust me, don't go crazy here. One solid smack will do. Or, if you don't have a hammer, use your fist to bust your bunny.

Once everyone has properly busted up their bunny, the game is ready to begin. Your whole family will count to three and then begin gluing the bunny back together with their tube or tub of frosting. The first team to complete this task wins!
