

exploreGod WEEK 3 THREE

WHY DOES GOD ALLOW PAIN AND SUFFERING?

1. Can you share with the group an experience of hurt and suffering that was unsettling to your view of God?
2. Read 1 John 5:19. What do you think the implications of this verse are? How do you see events like 9/11, tsunamis, Newtown, and others in relation to this verse?
3. If the Warfare View is true, how does it change the way you see people who are caught up in sinful patterns of behavior?
4. Read Romans 8:28. How have you experienced God bringing good out of a very difficult experience?
