MESSAGE: ICON – Towel & Basin (Humility)

SPEAKER: Jim Johnson **DATE:** March 21 & 22, 2020

We are living in a history-making moment . . .

History-making moments evoke three things:

Questions

Feelings

Responses

History-making moments expose one thing:

Our true character

The last night of Jesus' life was a history-making moment (John 13:1-17)

Jesus makes history by taking up the basin and the towel

The basin and towel demonstrate the meaning of humility

The secret to his humility is his security in his identity

The true nature of his character is revealed in this moment

Jesus asks you to make history by doing two things:

Let him serve you

Taking up the basin and towel in the Pandemic of 2020

Jesus promises us one thing . . .

You will be blessed if you do these things
