A Subsidiary of Reedy Fork Baptist Church

Praise be unto God for all the good things He hath done!

The Reedy Fork Center for Community Development, a subsidiary of the Reedy Fork Baptist Church, endeavors to engage, equip, and empower people through Education, Health & Wellness, Housing, Social, and Economic Initiatives.

In other words, we have a unique opportunity to make a difference in the lives of those around us.

Therefore, we are seeking capable, competent, and committed persons who are willing to give of their time, talents, and skills to make a difference in the lives of our children, youth, and their parents. Research has proven that students that don't engage in positive cognitive activities continuously will suffer deficiencies in their learning.

As we prepare to launch our Summer Enrichment Initiative, we are asking you to consider one of the positions that are needed to make a difference by working with us. If you are being led to journey with us this summer, please respond to the enclosed advertisements immediately.

Remember, "What you leave in this world is much more important than what you take from it"!!!
