NOVEMBER 2023

In recent weeks, we have seen Israel come to the forefront of world events. It has been many years since we have seen all-out war from our ally in the middle east. Because of the recent terrorist attacks from Hamas, Israel has had enough and is now defending itself from the radicals who want to destroy the Jews and bring an end to the statehood of Israel. As Christians, we are intimately tied to Jewish history. Our Saviour is the promised Jewish Messiah who would bless all the nations of the earth. He does this through the offer of salvation to all who would believe regardless of race, tribe, or tongue. We also know that Israel will play a significant role in the end times leading up to the second coming of Jesus where he will establish his kingdom and bring peace on earth. The Bible also teaches that branches have been broken off the Jewish family so that those that believe in Christ can be grafted into the tree of God's people. And we also read that the Jews will be restored after their transgression and rejection of the messiah is complete. The point, the Jews, even though they have rejected the Messiah, and the majority don't believe in Jesus, are part of the family of God and will one day be restored. They are our family! What happens to them should matter to us.

So, what do we do? **Watch and pray!** First, we **watch** to see how events unfold to determine if what is happening now can be tied to prophecies concerning the end times. God has given this information in Scripture so that we could recognize the coming of the end and be ready! We do not need to have our heads in the sand concerning the events in the middle east. It is the center of the world, and all Christian eyes should be focused on it! Watching also includes serving. If we see the end is coming soon, we need to make sure we are doing everything we can so that everyone we know hears the gospel. We may also need to evaluate our own salvation. Are you watching? Are you ready? Next, we **pray**. Pray for Israel as they fight that their response is effective and appropriate. Pray for safety of all those in harms way, including those who are not Jews but not radicals either. Pray that we would be able to recognize events from Scripture as they unfold. And pray for lost friends and family that they would come to know Christ! Watch and pray! Jesus is coming soon!

Growing and serving together,

Pastor Anthony

Dear Church,

As you read this, our drainage issues should be resolved. With that said, let me encourage all to express their gratitude to Andy Adams, Barry Cox, Debbie Threet, and Tammy Wallace for coming up with a plan and giving of their time to see the water problems resolved. Also, thank you to James Burnette for grinding tree stumps. Please say thank you to Randy Peacock for working on sealing our foundation and pouring concrete. A thank you goes to all those who helped replace wet ceiling tiles and also, those who came out to help with the sod.

Finally, let me say thank you to the church for giving faithfully to this project. God has blessed us with the funds to cover our water issue projects. We still need to landscape our new entrance and the church building. We must address our parking lot and eventually put new flooring down. There are other projects coming as well. Please pray and consider continuing to contribute to the Capital Improvement fund.

Musically speaking, let me remind all that our Singing Christmas tree program will be **December 10th** at 6:00 pm. Doors will open at 5:00 and childcare is provided. It will be a fun night for all, and the Gospel will be presented. Plan to come and even more importantly, being a person who does not know Christ and pray that God would use the event to save them.

As always, thanks for the privilege to serve with and for you,

Pastor Bobby

Family Life News

Children

- Thank you to everyone who invested in our Fall Festival. It was loads of fun and a great opportunity for our church family to reach out to the community around us.
 - This month the children's department has a Parent's night out coming up on the **10th of November**. The cost of this event is \$10.00 per child which covers the cost of the food for them to eat. I look forward to seeing all of the children from 4 years old through 5th grade at this fun event.
 - Saturday, **November 25th** we, as a children's ministry will be decorating the fellowship hall as well as the children's hall and welcome desk. Anyone available to help is welcome to come and take part in the festivities.
- November 22nd we will have NO Wednesday night activities in order to give families the opportunity to spend Thanksgiving break with their families.

Youth

- Those who attended our outing to eat dinner and have dessert together had a blast. However we missed those who could not participate. On the **11th of November** we have another opportunity for the youth to serve together.
- Saturday, **November 11th** we will be serving the community through River Life. This opportunity is open to the youth as well as families who would like to participate.

In Christ
