

FROM THE PASTOR

In our current sermon series, *We Are One*, we are looking closely at the nature, mission, and calling of the church. The purpose of our study is to refocus our minds and efforts on accomplishing the tasks of equipping, growing, and making disciples. All of us want our local expression of God’s kingdom to be all that God has commanded, and so we must ask ourselves difficult questions. As we look at ENBC, we see a great church, financially stable, and filled with a variety of talents and abilities. We have all the resources that we need to accomplish the mission that God has placed before each local church. However, we must also be honest that we have seen some decline over the last few years. In spite of that, God is still blessing us with baptisms and spiritual growth. But God has given us the commission to reach this community for Christ. We need to do better! We need to share Christ more and get in the community with the gospel more. We need to provide more opportunities for connection among our members. And we need to reach young families.

How do we do this? Well, that is a good question. We can’t continue to operate with business as usual. Change is necessary if we want to reach a busy society that is mostly focused away from God. We not only have to create an environment that connects with the younger families, we also have to go to them with the gospel. We must make a good case to them that our church is a relevant equipping station. What I mean is that we need to show the community that this is a place where lives can be changed and deepened by the gospel. We are assembling a prayer team to begin regular weekly prayer, focused on revitalization. We will also build a team for church revitalization that will examine what we are doing to see what is effective, and explore things we could do to reach more people. If you are interested in committing to either of these teams, reach out to me. We have work to do, but the future is bright! Praise the Lord!

Serving and loving together,
Pastor Anthony

Dear Church,

Sunday morning choirs have been an important part of our service since I have been here and even before God called me to ENBC. In the past three-plus years, due to health reasons, people just physically unable to participate, and several folks going to be with Jesus, our choir participation numbers are below what we need to present well. I believe this ministry is important for our worship services and even community events. (Flag and Tree). Please pray about joining this group so we can keep the choir going. As I have said before, you do not need to read music. We have a place for all who have a song to sing!

Our **capital improvement** is still happening, and our **building maintenance** will always be on going. As a way of information, last month we had to address the church's hot water heaters at a cost of \$6,000. As for what is next for our **Capital Improvement**, we are in the process of gathering information about lighting the new driveway. This project will be nearly \$24,000 but is necessary so everyone can see the road when the time changes and it gets darker earlier.

Please continue to tithe and pray about giving to the capital improvement fund. Also, pray for our choir.

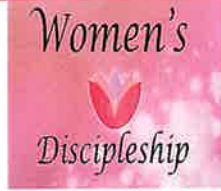

As always, thanks for the privilege to serve with and for you,
Pastor Bobby

Family Life News

We are having a blast in both the youth department and the children's department. School has gotten off to a start and Wednesday nights are becoming a part of the children and youth's routines. I want to take this moment to officially welcome to the Family Ministry Team, Lindsey Puett. She has accepted a part time position as the Youth Ministry Assistant. She is going to continue serving in the capacity that she has previously served plus having some office hours where she will be assisting in the day to day tasks of our Youth Ministry.

Children's Ministry

- Sonshine Club taking place at Atkinson Elementary School
 - * Sunshine Club begins on Thursday September 5th.
 - * Specific Prayer needs include: a strong presence of the Holy Spirit, the workers, the school itself, and the students.
