

Christmas in August

The WMU groups are going to sponsor Christmas in August again this year for Camp Rock of Georgia in Valdosta. This camp benefits foster children. We are collecting the items listed below through the month of August. Also, we will have a Christmas tree in the foyer starting August 4th. Please choose from below or choose an ornament off the tree.

Last year was a great success with 2 vehicles full of much needed items. Thank you so much for your donations! Any questions, please ask Shirley Peacock or Kirstie Bassett.
Thank You!

No Sheets are needed
