Jesus is the light of the World! In **John 12:46**, Jesus says, *“I have come into the world as light, so that whoever believes in Me may not remain in darkness.”* The teaching of this passage is twofold. First, we see that the world is in darkness.

Because of sin, the world is broken and subject to the effects of sin. What does it mean to be in darkness? It means that the world is focused away from God and on something else. Most times that something else is self. We focus on our plans and our pleasures. Sin says, *“Live in the moment and don’t think about the consequences. Do what makes you feel good!”* Darkness doesn’t love God or trust His Word. Darkness also conceals our sin. In our sin state, we seek to justify our sin and avoid looking at it as something evil. We act as though we aren’t that bad. And, we certainly don’t feel like we need a savior. We like the darkness. We definitely don’t want light to come in and reveal our sin, but that is exactly what Jesus does.

The second truth of this verse is that as light, Jesus has come to bring those who believe in Him out of the kingdom of darkness and into the kingdom of light. The light of Christ exposes our sin and calls us to repent. Darkness flees at the presence of the light of Christ. The light shows us the sin that we have been seeking to hide and leads us to overcome it. Jesus has come to make us new. When we believe, we too become people of the light who do not remain in darkness! The great truth of our salvation is we become a part of God’s family. And, we have been called to bring others into that family. We are made light to be light to others to point them to Jesus and bring them out of the darkness! How are you shining the light of Jesus in your Christian walk? Are you always looking for ways to make Christ know to others! Share your faith and invite someone to church today!

Dear Church,

As the Summer continues to melt away, we are in the process of planning our **Singing Christmas Tree** program. For the church to have this program, we need a minimum of 40 singers who can stand for the duration of the service and up to 15 more individuals who can sit while they sing. If you are interested in being a part of this night, please see me during the month of July.

Our capital improvement is still moving forward. Hopefully, as you read this article, new carpet in the Kidzone has been installed, but if not, the work will be done by the end of July. Also, as a way of information, I mentioned last month our Sanctuary lighting system was having issues. As of now, everything is functioning as it is supposed to. However, if the system fails, we will need to replace the system due to a lack of replacement parts for it. This cost is about \$22,000. As a way of information, our building has needed a few maintenance issues addressed in the last couple of months. The approximate cost of these projects is/has been about \$15,000.00. The needs were not planned, but it was due to the age of the property. With all this said, please continue to tithe and pray about giving to the capital improvement fund.

As always, thanks for the privilege to serve with and for you,

Bobby
