December 2023

As we come to the close of 2023, it is important that we begin to focus on our goals for the coming year. God has assembled many great resources at East Newnan Baptist church for the purpose of accomplishing His will. He has blessed us with a beautiful facility in which to minister, worship, and grow together. He has also blessed us financially as we continue to see faithful giving. But the most important blessing that God has given us at our church is His people. Each person that has been called out of their sin and into the kingdom of God at ENBC has been gifted in specific ways to serve God and accomplish His purpose for their own life and the life of the church. I would challenge each member of ENBC to seek to discover their specific gifting and cultivate those gifts for kingdom service.

So how can we as a church focus on God's purpose and goals for us in the next year? We must pray! Diligently. Faithfully. Persistently. I would ask each of you to *join me in prayer for a few things* over the next month. **First**, pray that we will see and obey God's guidance for 2024. We want to follow His plan, not ours. **Second**, pray for a greater focus on lostness. As a church, we must have a deep concern for the lost around us that leads us to action. Each of us is called to make disciples. Pray for lost people by name. **Third**, pray that we will be equipped for the tasks that God calls us to accomplish. We must grow together in the grace and knowledge of Jesus as we sharpen one another through teaching and accountability. **Fourth**, pray that God will unify us for the purpose of His mission and glory! **Finally**, pray for your staff. The obstacles we face each day require laser focus, and Satan is always looking to attack. We desire your prayers as we seek God's direction and leadership for the church. Nothing that happens for God in this church will happen without the faithful prayer of the saints. Will you join me in prayer! The church that prays together will see God move in great ways together!

Praying for the future,

Pastor Anthony

Dear Church,

Praise the Lord, our **Phase One** of the drainage project has been completed and is paid in full. We spent approximately \$115,000.00 and as previously mentioned, all the work has been completed and paid for. Thanks to all who helped in their own way, but most importantly, thanks to our Lord and Savior Jesus Christ for providing us the necessary funds to address our situation. As we look forward, there is still Landscaping to be done, parking lot sealing and several other issues that must be addressed. The approximately cost for these concerns is around \$100,000. Please pray and consider continuing to give to the capital improvement fund so we can address the for mentioned projects.

Now that December is here, let me remind all that our Singing Christmas Tree program will be **December 10th** at 6:00 pm. Doors will open at 5:00 and childcare is provided. It will be a fun night for all, and the Gospel will be presented. Plan to come and even more importantly, bring a person who does not know Christ and pray that God would use the event to save them.

As always, thanks for the privilege to serve with and for you,

Pastor Bobby
