

Our 40 days of prayer was a great time bringing our focus as a church toward prayer. Many throughout the church have been joining their hearts together through this time to lift up each request. We have cried out to God, and He is blessing us. Here are two things in which we can find assurance: God hears our prayers, and He is faithful. **Proverbs 15:29** says that *God hears the prayers of the righteous*. In fact, God knows our hearts so well that he hears our prayers before we ask them. *“Before they call I will answer; while they are yet speaking I will hear.” (Isaiah 65:24)* What a comforting thought! But even though God knows our hearts and what we need, even before we ask, we must still humble ourselves and come before God to pray and make our hearts known. Remember, prayer is mostly for our sake. It is true that it glorifies God, but it also helps us to honor Him and humble ourselves before his majesty and leadership. Are you praying? Persistently? Passionately? Regularly? God hears your prayers, and He is faithful. He will answer your prayers in His time and His way.

So what does that mean for our church? Well, we have spent 40 days of focused prayer together. God has heard our prayers, and He WILL answer them. We don't know exactly how or even when, but we know He is faithful. So trust Him with the answer! And above all, don't stop praying! We need spiritual growth! We want to see more and more people saved, and we want to see our church grow. So let us pray and serve together! And, when we see God answer our prayers, we will acknowledge those answers and praise Him! Just keep praying! God is faithful!

Dear Church,

April 13<sup>th</sup> we will try again to lower the dirt around the foundation of the children’s wing with shovels due to underground pipes. Work will begin at 9:00 am and we need as many as possible, with their own shovel, who can help. Also, we have started landscaping the new driveway entrance and will address the entire property in due time. A special thanks to all who have been doing what they can regarding the drainage work, hedging and cleaning out trees/brush around the new driveway.

Finally, our Sunday morning choir is still meeting and singing for our worship services. As you have heard me say before, we have a place for all who have a song to sing. Please consider joining us.

Thanks again for the privilege to serve with and for you.

Bobby
