

Without a doubt, this country needs Jesus! The United States is becoming increasingly godless and sinful. While this once was a country founded on Christian principles, we can no longer claim that as a rule. At one time, we seemed to be more concerned with doing the right thing. Now, our society worships the god of self and seeks to do whatever feels good. How do we change this? There are no quick answers to this question. Change will only happen as people come to Christ in salvation. Christ transforms through making his disciples into new creations.

When people ask how we change this country? I simply answer, "One soul at a time!" God has chosen to use His children, the church, to be the message bearers. We are called by God to share the good news of Jesus Christ with others as we live our daily lives. We can do this in a number of ways. We can share with people that we meet in daily life like our family, friends, or random strangers that we encounter in various places. We can also share with people that God lays on our hearts. Perhaps God will lead you to share with someone with whom you don't encounter in your regular activities. In these situations, we have to go out of our way to have a spiritual conversation. This requires intentional effort. Have you made an effort to share the gospel this week? Have you had spiritual conversations with others? Have you invited someone to church? Statistics show that 85% of church attendees began attending because a church member invited them. If we want to accomplish the great commission, it will require all of us! If we want to see our church grow, every member at ENBC must be about the task of evangelism and inviting others. Share Jesus! He is the only answer!

Matthew 28:19-20 (ESV) — 19 "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

Growing and serving together,
Pastor Anthony

Dear Church,

For **Mother's Day, Sunday, May 14th**, we will have a Men's Choir sing during the service. There will be a time during the welcoming for those participating to come up to the choir loft. The words will be on the back screen and after the group sings, all can return to their seats.

Jamaica Mission

Regarding our international mission trip to Jamaica, Spicy Grove Youth Center DOES NOT need lady's attire at this moment. Instead, we have been asked to bring personal items: bars of soap, body lotion, deodorant, toilet paper, and adult diapers. On top of the personal items, our mission team needs several wall scrapers, or wire brushes, 5 paint roller kits, and 3/4 inch replacement roller naps. If you would like to donate any of these items, there will be a collections area next to the work office beginning **May 1st**. You will have until **May 21st** to give. Our team will box the items up and all will be shipped to Jamaica **May 24th**. Thank you in advance for your generosity and prayers.

As always, thanks for the privilege to serve with and for you,
Pastor Bobby
