

Summer is a busy time of ministry and mission for various groups at ENBC. While many of our brothers and sisters will be serving diligently throughout our ministries this summer, we must remember that every ministry in which ENBC is involved is a church ministry. Each year I strive to promote the ministry of Vacation Bible School in this way. VBS is the greatest tool of evangelism in which churches participate.

While several other ministries offer similar opportunities, VBS seems to have the greatest impact.

So, what do I mean when I say, “VBS is a church ministry?” Well, I mean that for success, it will require every member of the church to participate. Now I know what some of you may be saying, “I have helped in VBS for many years, but now I am not physically able to serve.” Or, “I will be unavailable to serve that week because of work or travel.” But physical service is not the only way we serve the Lord. You will have the opportunity to help financially by purchasing snacks and craft supplies. And, we need everyone to cover our VBS in prayer. Pray for Pastor Josh and his team of volunteers as they prepare and study for the week of VBS. Pray for the children that are lost to respond to the gospel. Pray for the children who are saved to grow in their understanding of the gospel of Jesus. And then, pray during the week of VBS, each day, as we speak the truth of God into the lives of these children that God has brought to our campus! Every member of ENBC can have a vital impact through VBS, even if you can’t physically serve.

The same is true of the other ministries. You can help a child financially attend youth or children’s camp. See pastor Josh if the Holy Spirit lays this on your heart. And, you can certainly pray for our two groups going to camp this summer. Also, our Impact Week is a time to go into the community to do missions. You can go, or you can pray, both are important. Let us work together to see the gospel proclaimed in Newnan this summer through the ministries of our church! Praise the Lord!

Serving and loving together,
Pastor Anthony

June 2024

Dear Church,

June 2, our Youth will be leading the music part of the service. Also, on Father's Day, Sunday, June 16th, we will have a Ladies' Choir sing during the service. There will be a time during the welcoming for those participating to come up to the choir loft. The words will be on the back screen and after the group sings, all can return to their seat.

Our capital improvement is still moving forward. As you can see, new sod has been laid by the entrance and the children's wing has been painted. This month we are going to install new carpet in the Kidzone as well. Also, as a way of information, the Sanctuary lighting system needs improvement. Right now, the situation is being examined, but the system currently installed is no longer made, working properly, and replacement parts are not available. We don't know the cost of this project yet, but like most things now, everything is expensive. Please keep in mind that and pray about giving to the capital improvement fund. As always, thanks for the privilege to serve with and for you.

Bobby

Welcome to our newest ENBC members! Please say "hello" when you see them.
