Warming Up

What connected with you from the message on Sunday?

Have you been baptized? Share your baptism story.

Digging Deeper

Why do you think the Eunuch was visiting Jerusalem? (**Read Acts 2:1-11**)

Read Isaiah 53. In what ways does this describe Jesus? Was the prophet accurate?

Have you ever shared your faith or “witnessed” to someone? Have you ever told your story?

After reading about Philip and the Ethiopian, what is the relationship between God’s divine plan and our initiative when it comes to sharing our faith?

We often ask the questions, why does God allow evil to happen? Discuss your thoughts with your group.

How did God bring about something good through the martyrdom of Stephen in Acts. 7?

If God is very much involved in the evangelism of the world, how does that free you up or engage you as part of that process?

Do you feel that you know the bible well enough to answer the Eunuch’s question? How about your neighbors?

Read 2 Timothy 4:1-5 and I Peter 3:13-16. How can you be “ready” to share your faith?

Bringing it Home

Have you been baptized? If not, what is keeping you from being baptized?

One opportunity is coming in May 5th at the 11am service. <https://mygracepoint.com/baptism-signup>
