

## Study Guide

### Warming Up

Share a story of a time when you clearly were making the moment “all about you”.

Share a time/moment in your life when you felt the warmth of genuine love?

If God is the one who defines your relationship to Him, does that make Him a narcissist? Why or why not?

### Digging Deeper

We talked about how trials that come into our lives are, at times God’s correction or discipline. How do trials reflect God’s love?

#### **Read 2 Peter 3-11.**

How do these verses show what we have in Christ? How does this passage describe the way we are to relate to God?

In what ways are these verses a prescription for someone who is disappointed or unfulfilled?

As a community group, how can you help one another “add to your faith”?

Worship is about who **GOD IS**, not what **WE GET**. Do you agree or disagree? If it’s true, how does that affect the way we come into and experience church?

If it’s “all about God” is there anything that we get out of church and our relationship with God?

How is faith an **ALL-OR-NOTHING** commitment?

### Bringing it Home

What else stood out to you from the message this weekend or from the book of Hosea?
