

# THE CHALLENGES, THE STRUGGLE, AND THE VICTORY OF THE H.O.P.

Ecclesiastes 11:1; 4

“Cast your on the surface of the waters,[be diligently active, make thoughtful decisions] for you will find it after many days” ;  
(4) He who watches the wind [waiting for all conditions to be perfect] will not sow(seed), and he who looks at the clouds will not reap [ a harvest].

**As we labor on intercession at the prayer room(house of prayer or else) for God’s power to be released in our midst, we often get discouraged or bored when we don’t see immediate growth or results; but we need to measure progress by years and decades—not days and weeks. ( Mike Bikcles words).**

**Anecdote: A man who lives in a large valley has to walk around a big mountain to get to his land where he works every day. One Sunday he visited a church and he heard the pastor preaching about faith that moves mountains, on Mattew 17:20, he was so happy by receiving that word of faith, and that night before he went to bed he prayed: Lord I need you to move that mountain in front of my land so I can walk through and no need to go around for so long to get to my land to work every day, Thank you. The next morning he woke up as usual and went to his window to check the mountain, The mountain was unmovable, right in its place, and he said: it’s ok, I knew that it would not move.**

**That Sunday service this man left the church before the sermon ended because he thought: I got this now! The preacher closed**

**the sermon with Luke 11:9-10 “ So I say to you, ask and keep asking, and it will be given to you; seek and keep on seeking, and you will find; knock and keep knocking, and the door will be opened to you. For everyone who keeps on asking [persistently], receives; and he who keeps seeking[persintently], receives; and to him to keeps knocking[persistently], the door will be opened.**

**We want a prayer room 24/7 and pray, and ask, and seek for that with passion, but 24/7 is not the goal or the center thing. Is the person of the ONE who sits on the Throne and deserves all our attention, in that way and with that focus, prayer will be birthed as a culture, a new culture, and we will become students of the presence of God. [from Jimmy Seibert, HOP Antioch, Waco TX]**

**God has a purpose for all of us and by all means; all the deep eternal purposes of God are in Him[Jesus] because His perfect wisdom enables Him to plan Agead, and all history ( yours, and mine) is the SLOW development of His purposes.**

**Let's read and consider these Words from God Himself:**

**ISAIAH 40:28-31**

**“Do you not know? Have you not Heard?**

**The Everlasting God, The Lord, The creator of the ends of the Earth; Does not become weary or tired.**

**His understanding is inscrutable. He gives strength to the weary and to him who has no might, He increases power.**

**Do you believe that? Do you trust His words? Are you willing to tarry in His presence until His answer comes or does not come in your time or lifespan? That is the question that we need to respond to every day of our pilgrimage.**

**There are a lot of conversations on every platform about A.I. Artificial Intelligence: The ability of a computer or a robot controlled by a computer to do tasks that are usually done by humans because they require human intelligence and discernment. A.I. enables technical systems to perceive their environment, deal with what they perceive, solve problems, and act to achieve a specific goal at a speed and accuracy that surpasses 5 times human intelligence[2018]**

**GPT is a Generative pretrainedTransformer. The way we communicate with computers and technology[Chat GPT]. Generate human-like responses with NLP: Natural Language processing- It can predict the next word in a given context. RLHF: Reinforcement learning from human feedback or Artificial conversation with humans and vice-versa, based on their accuracy and relevance, improving its understanding to generate more accurate responses than humans.**

**This is the speed at which AI is advancing and controlling communication, security, technology, and information databases: Parameters in machine learning, are the keys to machine learning algorithms from historical training data.**

**The algorithm is a procedure used for solving a problem or performing a computation.**

**HOW MANY GENERATION OF GPT ARE AT THIS MOMENT?**

**GPT1 to GPT4 [only took 5 years]**

**GPT1 uses aprox. 117 million Parameters (2018)**

**GPT2 uses aprox. 1.5 BILLION Parameters(2019)**

**GPT3 uses aprox. 175 BILLION Parameters(2020) AI Chatbot)**

**GPT4, Parameters are unknown(out of human control) producing human level and higher level performance on various academic and professional bench marc.**

**Why do we need to be aware of all of this?**

**Because we can lose control of our lives and freedom to rely on AI and technology, instead of faith, the Word of God, and the guidance of the Holy Spirit and trust, believe, and follow (the beast) AI in all modalities for our life and the future of our family.**

**The Holy Spirit wants us to get ready in prayer posture for spiritual war and for a mighty breakthrough in these last days, now we also need to understand that often we experience great spiritual opposition before a great breakthrough.**

**Whatever opposition you are experiencing in your life at the present, it has to bow down; it has to move out of your way; God is going to make clear the path for you to step into your freedom, and your healing spiritual, emotionally, mentally, and physically. This is the will of God for you and for me.**

**As we draw near to Jesus in perseverance, He will increase the power, the glory, joy, knowledge, and understanding of His Slow but certain development of your life here on this side of eternity and on the other side with him.**

**Let me pray and follow my prayer if you can identify with it, it is my humble prayer.**

**HEAVENLY FATHER HOW COULD A MAN AS VILE AND WEAK AS MYSELF HOPE TO HAVE APART FROM THE GRACE OF YOU ANY THING, O GOD? I CAN ONLY PRAY, PRECIOUS LAMB OF GOD , MY HEART SING YOUR PRAISE AND YOUR GRACE, WHICH LEAD YOU TO THE CROSS FOR ME . AND YOUR LOVE WAS GREATER THAN THE SUM TOTAL OF ALL MY SINS. I THANK YOU FOR WHAT YOU DID FOR ME. TODAY AND NOW I SURRENDER MY WHOLE LIFE TRUSTING THAT YOU WILL CHANGE ME HERE AND RESURRECT ME ON THE DAY OF YOUR SECOND COMING, AMEM.**
