

**Never Forget**  
**Luke 22:14-20**

**Jesus was turning the  
Passover into something  
new. Not something that  
looked back toward  
deliverance from Egypt,  
but forward to the  
deliverance God would  
achieve on the cross from  
man's greatest adversary,  
sin.**

**Jesus is making it clear that his death is not an accident, but that his body will be broken for his disciples and his blood will be shed for the forgiveness of their sins.**

**By retelling the story of  
our salvation, this meal  
brings God's past act of  
deliverance into the  
present.**

**Preparing our hearts for
