

Be About the Business of God's Word

2 Timothy 3:16

Everything we need in regards to understanding, wisdom, discernment, and living lives of value is found in the God-breathed Scriptures if we commit ourselves to it.

A person wearing a dark hoodie with a faint cross logo on the chest is holding a smartphone. The background is dark and out of focus.

It can be scary to live in a world where you can't even trust your eyes, but we can trust God's Word as true because He breathed it out.

Because the Bible is God's Word and because it reveals truth, it exercises authority over those who deviate from its standard.
